- citizens of the Republic of Ireland or other European Union (EU) member states

If you are an EU citizen and want to vote in European Parliamentary elections, you must fill in a separate form. Contact your local electoral registration office to ask for one.

## What is the electoral register?

The electoral register is the list of everyone who is registered to vote. You must be on the register to vote in elections and referendums. You are **not** automatically registered, even if you pay Council Tax.

You can register to vote at any time. If you're not registered, for example, if you have moved home, you need to fill in a registration form.

## Who has my personal details?

There are two versions of the register – the **full** version and the **edited** version. **Your details** will appear on the full version of the register, but you can **choose** whether or not your details appear on the edited register.

- The full register is used for elections and referendums, preventing and detecting crime, and checking applications for credit.
- The edited register is available for general sale and can be used for commercial activities such as marketing.
